

Product Data Sheet

REV-X MULTI-GRADE SAE 20W-50

DESCRIPTION

PETRON REV-X MULTI-GRADE is a high quality, multi-grade engine oil that is specially formulated to provide excellent protection in diesel engines operating in severe operating conditions.

PROPERTIES

- It provides first-rate protection against wear and corrosion for longer engine life
- It provides excellent detergency and dispersancy for enhanced engine cleanliness
- It provides optimum protection against non-ferrous corrosion, oxidative and insoluble thickening, foaming, and viscosity loss due to shear
- It provides longer engine protection due to its superior oxidation resistance

GRADE

- SAE 20W-50

APPLICATIONS

- Diesel engines with on and off-highway applications
- Heavy duty diesel applications found in mining, construction, trucking, and agricultural industries
- Gasoline-engine vehicles requiring API SJ quality level

QUALITY LEVEL

- It has the performance profile of:
 - API CH-4/SJ

AVAILABLE PACKAGES

TYPICAL CHARACTERISTICS

Color, ASTM	L2.0
Density at 15°C, kg/L	0.8803
Kinematic Viscosity at 40°C	159.4
Kinematic Viscosity at 100°C	18.36
Viscosity Index	129
TBN, mg KOH/g	9.2
